Academia.edu is a platform for academics to share research papers

### **A review on the application of deep learning in system**

The paper provides a systematic review on the application of deep learning in SHM. Most approaches are application specific with no clear way to select design or implement an architecture

### **Underwater diving Wikipedia**

Underwater diving as a human activity is the practice of descending below the water's surface to interact with the environment. Immersion in water and exposure to high ambient pressure have physiological effects that limit the depths and duration possible in ambient pressure diving. Humans are not physiologically and anatomically well adapted to the environmental conditions of diving and
