National Higher Education Entrance Examination Wikipedia

The National Higher Education Entrance Examination was created in 1952 The unified national tertiary entrance examination in 1952 marked the start of reform of National Matriculation Tests Policies NMTP in the newly established PRC With the implementation of the first Five Year Plan in 1953 the NMTP was further enhanced After repeated discussions and experiments the NMTP was eventually

Abiogenesis Wikipedia

Abiogenesis or informally the origin of life is the natural process by which life has arisen from non living matter such as simple organic compounds While the details of this process are still unknown the prevailing scientific hypothesis is that the transition from non living to living entities was not a single event but a gradual process of increasing complexity that involved molecular
