The New York Times crossword puzzle Wikipedia

The New York Times crossword puzzle is a daily puzzle published in The New York Times online at the newspaper's website syndicated to more than 300 other newspapers and journals and available as mobile apps. The puzzle is created by various freelance constructors and has been edited by Will Shortz since 1993. The puzzle becomes increasingly difficult throughout the week with the easiest

Crossword Wikipedia

A crossword is a word puzzle that usually takes the form of a square or a rectangular grid of white and black shaded squares. The game's goal is to fill the white squares with letters forming words or phrases by solving clues which lead to the answers. In languages that are written left to right, the answer words and phrases are placed in the grid from left to right and from top to bottom.
