Ecology Wikipedia

Ecology from Greek *oikos* (house or environment) and *logos* (study of) is the branch of biology which studies the interactions among organisms and their environment. Objects of study include interactions of organisms with each other and with abiotic components of their environment. Topics of interest include the biodiversity, distribution, biomass, and populations of organisms.

AP World History Wikipedia

Advanced Placement World History, also known as AP World History, WHAP, AP World, or APWH, is a college-level course and examination offered to high school students through the College Board's Advanced Placement Program, designed to help students develop a greater understanding of the evolution of global processes and contacts, as well as interactions between different types of human society.
