## List of atheists in science and technology Wikipedia

This is a list of atheists in science and technology A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list Persons in this list are people living or not who both have publicly identified themselves as atheists or have been historically known to be atheists and whose atheism is relevant to their notable activities or public

## Intuitive Concepts in Quantum Mechanics Scriptural Physics

These operators will  $\hat{a}$  operate  $\hat{a}^\dagger$  on a wave function  $\Psi$  which is assumed to exist and which is assumed to contain all that is knowable about the quantum mechanical system We would then solve the resulting equation to get the particulars And so in this example we can write the substitutions into the classical expression for total energy
